

About The Book

Former airline captain R. D. Kardon fictionalized her own experiences as a trailblazing corporate pilot integrating an all-male international corporate aviation department in the 1990s. *Flygirl* follows protagonist Tris Miles on her journey to advance in her chosen career. Motivated by ambition and guilt over a haunting loss, Tris enters an environment filled with deceit, harassment, and hidden agendas as she tries to earn her Captain's stripes. Readers are strapped in right next to Tris in the cockpit as she faces unimaginable challenges at high altitudes all over the world.

Reviews

Tris Miles is a heroine for our times. Set in the late 1990s, *Flygirl* by R.D. Kardon examines one tenacious woman's struggle to survive in a vocation dominated by men who want nothing more than to see her fail. Readers will fall in love with Tris who is a force to be reckoned with. Based on Kardon's own experiences as a female pilot, *Flygirl* is written with both authenticity and heart.

— T. Greenwood, author of *Rust & Stardust*, *Where I Lost Her*, and *Two Rivers*

In R.D. Kardon's debut novel she has created an inspirational character in Tris Miles. *Flygirl* is vivid, energetic, and fast-paced. It is a story about striving to reach for your goals despite astronomical odds.

— Jill G. Hall, author of *The Black Velvet Coat* and *The Silver Shoes*

The phenomenal debut novel from R.D. Kardon buckles you in for a nonstop flight of secrets and backstabbing. Kardon's prose and dialogue give life to honest characters with true emotional depth.

— Mikel J. Wilson, author of *Murder on the Lake of Fire* and *Death Opens a Window*

About The Author

R. D. Kardon had a career as a litigation attorney before learning to fly. It took her almost three years to earn her Airline Transport Pilot certificate and first of three type-ratings. Her twelve-year flying career took her to every state in the US and all over the world. From tiny single-engine Cessnas to the Boeing 737, the aircrafts Kardon has qualified in are as diverse as her professional experiences.
